THE
ASA WATERS MANSION
Where history and beauty meet...

*An historic home,
an enduring legacy.*

In 1824 Millbury businessman and local worthy Asa Waters II set out to build the stateliest residence in the country. It took two full years to amass the building materials from across the globe and construction did not begin until 1826. The Waters family celebrated their formal housewarming in 1832 with a grand Christmas ball.

Twice this august residence has been threatened by demolition, but through the townspeople of Millbury's tireless efforts it has been preserved and made available for the public to enjoy.

It is with great pride that we at the Asa Waters Mansion welcome one and all to celebrate life's most special days within its keep, and we are committed to upholding Mr. Waters' legacy.

AFFORDABLE ELEGANCE

The Asa Waters Mansion provides a luxurious setting for your special day that won't break the bank! From intimate receptions of 80 and under in our Great Room to larger tented affairs on our landscaped grounds, the Asa Waters Mansion offers unparalleled levels of customization for your wedding day.

NEW ENGLAND'S JEWEL

Nestled in the heart of the Blackstone Valley in charming Millbury, Massachusetts, The Asa Waters Mansion is conveniently reached from the Providence, Worcester and Boston metro areas.

REVIEWS

"The building and grounds are lovely, and they couldn't have been more helpful and accommodating. We absolutely loved everything about it."
-Waters Mansion bride Monica, via WeddingWire
